- c) Then, proceed to the **Shopping Cart** page.

The screenshot shows the American Heart Association ShopCPR website's shopping cart page. At the top, there is a navigation bar with links for All Products, Courses, Product Type, Topics, Training Supplies, Course Cards, and Instructor Materials. The user is logged in as 'Antony Daniel'. A search bar and a cart icon showing '(1)' item(s) are also present. The main content area is titled 'Shopping Cart' and contains a table with one item. The item is described as 'Versión en español del curso de Soporte Vital Avanzado del Accidente Cerebrovascular (SVA-ACV) en línea: orientación sobre el producto y el curso para instructores'. It includes a small thumbnail image of a laptop displaying the course content. The product details are: Unit Price \$0.00, Quantity 1, and Total \$0.00. Below the table, there is a 'Discount Code' input field with placeholder text 'If you have a discount code, please enter it here.' and an 'Apply' button. To the right of the input field, the Subtotal and Grand Total are both listed as \$0.00. At the bottom right of the page is a large red 'Checkout' button.

## Step 5: Checkout

- a) Click on the '**Checkout**' button and purchase the product.

This screenshot is identical to the one above, showing the ShopCPR shopping cart page with a single item. However, a red arrow points specifically to the large red 'Checkout' button located at the bottom right of the page.
